

EXCERPT FROM JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 15 July 1964

(Unclassified - DDS) Discussed with Mr. Stanley L. Kemp in the office of Representative Walter Norblad (R., Oreg.) the Congressman's letter to the Director of Central Intelligence dated 13 July 1964. On the behalf of the Portland, Oregon, Americanism Committee of the American Legion, the Congressman had requested information relating to travel restrictions on American tourists inside the USSR. Several sources of information, including the State Department, Senate Internal Security Subcommittee, Senate Foreign Affairs Committee and others, were suggested to Mr. Kemp. Mr. Kemp agreed that this information was probably available from noo-CIA sources and indicated that the Congressman's letter to the DIC need not be answered further.
